Due to its extraordinary beauty and seclusion, Lekkerwater was chosen to be ex-President FW De Klerk's 'Camp David'. The Lekkerwater experience of today builds on the area's natural charm and the fabulous 6km long beach that dominates the scenery and complements the marine reserve offshore. Lekkerwater Beach Lodge works on set arrival days of Monday, Wednesdays and Fridays, with a minimum of a two night stay. Guests can elect how long to stay, except on a Wednesday when there is either a two, four or five night stay. Everyone arrives on the same day and experiences this incredible journey of fun and discovery together. We will explore the natural wonders of this amazing destination with expert guides and a range of exciting activities that focus on the 6km of pristine beach, interspersed with fynbos walks on the surrounding hills, marine explorations, rock pool swimming, bird watching, and time in our wood-fired hot tub on the beach. Lekkerwater is at the heart of De Hoop Bay which enjoys some of the highest concentration of whales anywhere on earth. During the whale season (July to November) there are usually anywhere from 6 to upwards of 20 whales in view directly in front of Lekkerwater Beach Lodge at any one time. And the dolphins are here all year.
