Due to its extraordinary beauty and seclusion, Lekkerwater was chosen to be ex-President FW De Klerk's 'Camp David'. The Lekkerwater experience of today builds on the area's natural beauty and the fabulous 6km long beach that dominates the scenery and complements the marine reserve offshore. On offer at Lekkerwater Beach Lodge are two night stays with guaranteed departures every second day. Everyone arrives and departs on the same day and experiences this incredible journey of fun and discovery together. During the two nights we will explore the natural wonders of this amazing destination with expert guides and a range of exciting activities that focus on the 6km of pristine beach, interspersed with fynbos walks on the surrounding hills, marine explorations, rock pool swimming, bird watching, star gazing, beach braais and much much more. Lekkerwater is at the heart of De Hoop bay which enjoys some of the highest concentration of whales anywhere on earth. During the whale season (July to November) there are usually upwards of 20 whales in view directly in front of Lekkerwater Beach Lodge at any one time. And the dolphins are here all year.
