OPERATES ANYWHERE IN AFRICA

BK is a highly motivated guide who is a natural communicator and able to provide an entertaining and informative experience to guests. He has a flair for talking to groups of people along with a good memory for facts and figures. He has always been a fantastic storyteller with an infectious sense of humour and is an expert at thinking quickly on his feet. He provides guests with a unique, unforgettable experience that encourages them to fully participate with what is going on around them.

Throughout his career he has learnt how to lead guests through sites of historical and cultural interest. As a true professional he always displays a true passion for what he does.

He has guided with all the major safari companies in Botswana, and brings skills learnt from childhood, when he would join his father on subsistence hunting trips in the Okavango Delta. Learning the secrets of many of the most famous safari regions today. He is a master tracker and has the ability to spot wildlife at distance that barely seems possible.
